## Brian Harman

### Quick Quotes

**Q. Great finish. I know you haven't had the best track record here, just what clicked for you this week?**

BRIAN HARMAN: I felt really good about my game going into the PLAYERS and I think I just put so much onus on that tournament and it's just such an odd weather week.

And I had this one circled on the schedule, I've been looking at the numbers a little bit and really thought I wanted to give it another try.

So I'm glad that those good feelings I had before THE PLAYERS were real, it just came in a different week.

**Q. Were you well rested enough, obviously you were, you finished inside the top 5, but after a week like that did you come dragging your heels a little bit?**

BRIAN HARMAN: Gosh, I don't know if I've ever been so tired after a tournament than THE PLAYERS. You got to give credit to the guys that played so well there, it was just a grind. Kevin Kisner and I drove down Monday night and we were just zonked. I mean, it was brutal.

**Q. What does a finish like this do for you moving on?**

BRIAN HARMAN: I'm really excited, got into the Match Play by the skin of my teeth, love that event, love that course, glad my game's doing pretty good, so I'll go give 'em hell next week and then rest up for the Masters.
