Quick Quotes

Q. When we asked you yesterday, you said you were going to put everything out of your mind. Is that what you did?

CAM DAVIS: I was doing my best. I mean, I had a rough sort of estimate of where I felt like I needed to finish based on little things that I had seen throughout the day, but I wanted one more birdie, but it looks like I didn't need it.

That was a nice stressful but at the same time well played sort of day for me.

Q. How would you rank that round in things you've done this year?

CAM DAVIS: I would say the last three Sundays in a row have all been about the same level of stress and the same level of achievement for me. I've managed to put really good clean rounds together when the pressure has been on to keep moving forward, and yeah, it's really satisfying to be able to know that I've got a tee time next week, so I can start looking forward to that.

Q. What do you take from that, what you've seen the last three Sundays?

CAM DAVIS: I've turned a really kind of up-and-down year into a pretty positive year just out of three really good weeks in a row.

Yeah, just keep on rolling, keep doing the same things I've been doing, and hopefully I can turn it into my best year yet if I have another good week next week.

Q. Did you feel stressed out there?

CAM DAVIS: Yes. I don't know if it looked like it, but yeah, I was stressed.
