Quick Quotes

Q. Nice final round. If we can get you to recap it for us, please.

MACKENZIE HUGHES: Yeah, I felt like this weekend I played really nicely. I didn't get much out of my game. I was 5-under for the weekend but I really felt like it could have been quite low. So I'm encouraged by that, a little frustrated, but encouraged and excited for next week.

Q. Just talk about being back for the Canadian Open after three years and what it means to you, to all the Canadians and to the TOUR as well?

MACKENZIE HUGHES: Yeah, it's been awesome. I think that it's been a huge success so far, the crowds have been awesome, they have been loud. The leaderboard's been awesome too. We had some great players now coming down the stretch trying to win, so it's a perfect formula. Got a crazy golf country that just loves the sport and it's been a few years since we've had the Canadian Open, so the combination's been electric and it's been a great week for the TOUR.
