Quick Quotes

Q. Good playing. Another solid round for you. 5-under, 67. If we could just get an opening comment on what was working well for you today.

HARRY HIGGS: My attitude. All of my golf clubs for the most part, but my attitude was really good. Because I still hit some poor shots today where, in the past, I could have kind of started to freak out, maybe on that hole not saved a score I should have saved. And then it would have led and bled further into the round. But I was really able to just kind of shake it off, get back to kind of the cues that I'm working on and pour in a few putts, make a few birdies and get myself in a good spot for tomorrow.

Q. How do you keep that attitude going tomorrow with a chance to win?

HARRY HIGGS: It's just a choice. I got to make the choice and then I got to stick with it, too. I got to remind myself that a chance to win on Sunday, each shot is not life or death. Like, I cannot win it by hitting it in the fairway on the first hole. I cannot win it by hitting it close to the flag on first hole. I cannot win it by making a 6-footer on the first hole. Everything ends over there on 18.

So some patience and again just kind of sticking to what I have been doing. I've got a nice little game plan, but tomorrow's the hardest day to do it. But I am looking forward to the opportunity to do so.
