Q. You could make one complaint about your drive today on one of the tough holes, 13, but other than that, you drove beautifully, didn't you?

KEVIN YU: Yeah, I think one of the keys to play on this course, definitely you have to drive it really well. Drove it really well today besides that 13 hole. Other than that, it was a solid day.

Q. Talk about this golf course. It seemed pretty receptive the greens today, weren't they?

KEVIN YU: Yeah, for me personally, I feel like I'm getting more used to it, the speed and the type of the greens. I feel like a lot of holes today is a little more tactical.

I was hitting really good today, so I got a lot of chances. And putting felt great, so I was able to do some damage today.

Q. I'm sure you can take a lot of confidence in it going into tomorrow, but being a Tour winner too, how much confidence do you draw from that going into a Sunday?

KEVIN YU: Definitely give myself a lot of confidence going into tomorrow, but I feel like tomorrow everybody has still got to play good. Tomorrow is a new day, and I have to bring my A-game out and still have to be reasonably aggressive. Yeah, looking forward to tomorrow.

Q. That's life on the Tour, you've got to bring your A-game every day?

KEVIN YU: Sure, exactly.
