Ryan Fox

TV Interview

Q. Ryan, you said it took you a while to settle in here on the PGA TOUR, but now it's taken just four weeks and four playoff holes here, and you're now a two-time winner out here. What did it take to get this one done?

RYAN FOX: It was tough. I hit some great shots down the stretch in regulation. Probably got a little lucky on that putt on 18 in regulation, snuck in the left door.

To be honest, Sam and I had a bit of a pillow fight there for three holes. It was some pretty average golf from both of us, some average putting. But that shot I hit on 18 with the 3-wood was probably the best shot I ever hit. It would have been nice to make it, but hey, I'll take it.
