**Q. I watched the last two holes on TV; it seems like that happened yesterday, right, the last couple of holes?**

ANNIKA SORENSTAM: Yeah, it was almost like a replay, unfortunately. I hit the ball really well today. I'm very happy how I hit it. Maybe missed a shot or two on a par-3 that cost me, but I hit 5-wood into greens, I hit a hybrid into. I hit some really solid shots and made two good putts and then I missed some short ones, so it was a mixed bag. But I think overall to shoot level here, it's not bad. I'm behind, but I could have been more behind.

**Q. How are you as a mudder?**

ANNIKA SORENSTAM: I have done quite well. It doesn't mean I enjoy it, but I think when it's like that, then you've got to go out and it's more about how you hit the ball, solid, and distance control, and patience.

I'm not a player that goes out and makes a ton of birdies. I'm more just kind of steady. It will be hard to make a lot of birdies when the weather is -- you've just got to be patient and grind and just do what you've got to do. I've done it before, so it would be nice to get these guys one day.
