### Quick Quotes

**Q. I know there were a lot of good takeaways, but just touch on what you felt good about that week.**

RICHARD GREEN: Yeah, it's nice to be competing and contending to do what I want to do. It's just a shame that things just at the end there didn't really fall my way.

I thought they were going my way there a little bit through the middle of the round, and probably my start today didn't really help me very much.

It's nice to be competing and contending for golf tournaments. It's fun. I enjoy being out there contending week in, week out, and I'll keep rattling the cage.

**Q. I know there is no consolation, but with your seconds and thirds and the Top 10s you've had this season, it's remarkable.**

RICHARD GREEN: Yeah.

**Q. I know it's frustrating that you haven't got over that line yet, but you feel better than worse -- I'm not phrasing the question very well.**

RICHARD GREEN: Oh, yeah. Look, everybody wants to win. We all want to do it. I think that's probably what is the hardest thing to not let that get in your way.

I probably am battling that at times, you know, just thinking about trying to get it done instead of actually letting myself go.

Look, at the end of the day, mate, you're playing on the Champions Tour and doing very well, competing in the Schwab Cup for one of the top positions, and I'll just keep pressing on.

Hopefully the gods fall for me in the right order someplace soon. We'll see.

**Q. Still get a good check.**

RICHARD GREEN: Yeah.

**Q. Cool event here.**

RICHARD GREEN: Oh, yeah, loved it. Love the course. Love the conditions. We've had a great weather week. You know, enjoyed coming here for the first time last year and with a bit of experience this year, I've enjoyed the week. People are great. Had a lot of the support so it's been good.

**Q. See you in Warwick Hills.**

RICHARD GREEN: You will.
