

Bank of Utah Championship

Friday, October 24, 2025

Ivins, Utah, USA

Black Desert Resort

Justin Lower

Quick Quotes

Q. Justin, 9-under through two rounds. Just take us through what's working and what you want to clean up before the weekend.

JUSTIN LOWER: Yeah, just consistency. That's all. I'm just trying to give myself a look on every hole. It's obviously getting firm to where it's maybe not possible every time.

So, yeah, just really trying to give myself a look and just try to hit good putts. That's really all I'm trying to do.

Q. How does it compare this year to last year? Only second year of the event. A lot of people are talking about the weather, there are major differences you're feeling.

JUSTIN LOWER: Yeah, the weather has a lot to do it with. It was probably 20 to 30 degrees warmer at times and just playing softer, maybe a touch more humidity, but obviously humidity is not a factor out here.

Yeah, I mean, and the ball goes further when that's warmer, little things like that. Definitely with it being a little cooler, cooler at night, it's firming up the greens just a little bit.

Q. And the eagle on 7, what did you see on the third shot?

JUSTIN LOWER: The putt, yeah, hit a good drive, really good second shot. Wasn't sure if it went to the back of the green or not. We could see it but we couldn't tell where it was.

Yeah, it was just I had a, not a similar putt, but probably a similar speed putt on the hole before that, so just had to get it going on the right line. Luckily figured it out.

Q. Was going to ask, did you have anything specific that you were working on coming into this week? Looking at your results I know the last handful of events have been a struggle. Didn't know if you had

new set of priorities or some mind cues, what have you.

JUSTIN LOWER: Yeah, no, I've been working really hard on every aspect of my game, my life, just everything really. I've been working really hard. Just I really want to be out here next year with full status and everything so that's really all I'm trying to accomplish.
