Quick Quotes

Q. Kevin, 63; squarely in contention going into tomorrow. Just summarize the day for us.

KEVIN YU: Yeah, it's a very solid round today. Didn't make any mistakes out there. Just really solid off the tee, through the tee, from the tee to the putting.

Yeah, have some good chances for me today on the greens which I made some, which is great. Yeah, bogey-free. I'll take it every day out here.

Q. Did it feel like early on this was going to be a day to really make a lot of birdies and post a low number with the conditions?

KEVIN YU: I feel like really depends on the condition of the today. Like today is not as much wind as last couple days, so I think it helps a lot. And also some pins that's very gettable. So if I hit good drives out there I have a lot of good chances which we did today, so ended up with a good score today, yeah.

Q. Right now you're one of the only guys in the Top 5 who have won on the PGA TOUR. How much will you lean on that experience knowing you've been there, done that?

KEVIN YU: Yeah, really not trying to think about it too much. Just focus on what I have to do tomorrow, just one shot at a time. Yeah, definitely giving confidence knowing I can win on TOUR which is great, but really I feel like tomorrow still going to have to do -- shoot a really low round to win.

One shot at a time. We'll see how it goes.

Q. I was going to ask, you're right on that top 60 bubble trying to get into some Signature Events. How important is that for and you as someone who got to play some Signature Events this year?

KEVIN YU: Yeah, it's very important. Obviously you get more money, the points, too, so definitely that's a goal for

the fall, what I want to try and do for the fall.

Yeah, like Pebble and Genesis, those are the courses that I like a lot, so really hoping to get into those fields. Yeah, looking forward to that. Got to play good tomorrow and hopefully we get in. Yeah.
