Quick Quotes

Q. Nice round, your career low on the PGA Tour, 63. If we could get some comments on your play.

SUDARSHAN YELLAMARAJU: Obviously very solid. Kind of a shaky start with the double on 11, but I stayed patient. Coming in, I felt like my game was pretty good. It was a beautiful day, perfect conditions.

The course is playing a little bit soft in the last couple years, so I knew there were a lot of scoring opportunities coming up, and I just took full advantage of that.

Q. Six birdies, two eagles, a double bogey -- it was quite a roller coaster ride, wasn't it?

SUDARSHAN YELLAMARAJU: Again, I think the start was more the roller coaster. Then after that, I just played my game. Hit a lot of good iron shots and gave myself a lot of putts inside 10 feet, which always helps. I like my chances when I have a lot of putts inside 10 feet.

Q. Take us through the eagles. Your first was on the 18th hole today. Take us through that.

SUDARSHAN YELLAMARAJU: Perfect drive, a little bit short on the approach, short left, then chipped it in, just I guess standard. It wasn't a very hard chip, but you still have to hit a good chip. It kind of rolled nicely in.

Then what was the other one, 5, 6? Oh, 7. Again, perfect tee shot, perfect approach. Just a perfect putt. Again, three good shots, can't ask for anything better than that.

Q. That eagle came right after four straight birdies. That's your best birdie-eagle streak on Tour. Just talk a little bit about that stretch and how much momentum you gained through those holes.

SUDARSHAN YELLAMARAJU: On this course, I think it first starts with a really good tee shot. Then from there, I just hit like perfect approach. My first one was on the par-3. I think it almost went in because the crowd kind of was screaming as if it almost went in. Then like 5 feet,

made it, and then the next hole hit it to a foot. The hole after that, again, 5 or 6 feet.

I don't know, I may have lost count to be honest. Yeah, it was a lot. I think I was just so, it felt like, in the zone and just tried to play the good golf that I know I can.

Q. Your card is already wrapped up. You don't have to worry about that. I know the FedExCup fall is really big for you. Right inside the top 60 right now, which is huge. What are your goals for the fall?

SUDARSHAN YELLAMARAJU: For sure to solidify that 51 to 60, and then a win would be obviously huge for -- just to have a win. I know I believe I can win out here. I have the game for it, I know that. Obviously it's easier said than done. My game is more than good enough to win out here, and I just need to go do it.
