Quick Quotes

Q. Obviously not the outcome that you wanted for your team, but can you just speak to the effort that you guys put both today and for the entire week?

MIKE WEIR: Yeah, all week we played hard, played great. Europe just was on fire today from the get go. They got that lead this morning. I heard there was tons of birdies. Bernhard made six birdies the first six holes. I think Søren Kjeldsen did the same.

It's hard to catch up when the guys were doing that, but our guys played hard. Proud of them.

Q. This event is just in its second year, but can you speak how special it is with the international gear on and everyone that spoke this week?

MIKE WEIR: Yeah, it's great. It's great to do this on the Champions Tour and it can continue to grow. Hopefully word gets out and ratings are good and this thing kind of keeps continuing to evolve and grow.
