Quick Quotes

CADILLAC
CHAMPIONSHIP

Q. Final round 66, how would you assess your final round.

SEPP STRAKA: Yeah, it was kind of two parts. I feel like in the beginning it was playing pretty easy all day, there was hardly any wind, definitely a lot softer. In the beginning I couldn't get anything going. I felt like I was falling behind. Back nine, started hitting some really nice iron shots and giving myself a lot of opportunities and was fortunate enough to make a few of those.

Q. What's the momentum you can take from this week or even this final round going into next week while you'll be defending?

SEPP STRAKA: I would say, I mean, I'm hitting the ball fairly well. I would say it's probably some of the most comfortable I've been with my long game this year, and yeah, hopefully just kind of keep that rolling and make a few putts next week.
