Q. Haotong, incredible round. How would you sum up what you put out there today?

HAOTONG LI: Well, I felt like my game is I think put quite together today, and especially the last few weeks. Went to Europe; gained a little bit of confidence.

And putting just been really hot today, so, yeah, very pleased with this score.

Q. Was there anything that you changed today that you might've improved on from the previous two days?

HAOTONG LI: Well, recently I've been switch so many putters. I switch probably putters every week because struggling with the putting, with the pace, and also change the way I align the ball as well. I used to line up with the ball, but now I just purely with putter.

So it's been work so far, and hopefully continue doing something good, yeah.

Q. What's going on in your mind when you're playing really well out there? I know like to have fun and relax. Do you keep that same mentality when you are rolling in a bunch of birdies?

HAOTONG LI: Well, today is extremely calm and happy because I play with Johnny Keefer. He's one of my buddy on Tour. I always very enjoy play with him and plus he play really well.

I think I felt -- I think I shot 5-under on the back nine and I didn't have the chance to have the honor on the tee, so that shows how good he is. Yeah, we really had a fun day.

Q. This fall series starting off this week, what are you hoping to accomplish over the next couple...

HAOTONG LI: I just try to survive. This is my first year on fall category or here and I just try to keep my card and do something solid finish, and hopefully I can play more golf in
