Quick Quotes

Q. You just secured the final point for the United States in this Presidents Cup. Did you feel like you had anything to prove this week?

MAX HOMA: No, I mean, I know a lot of people didn't think I should be on the team, but I think what I realized in the last week or so and especially being here is that the people that mattered did think I should be on the team.

Obviously didn't get a point up until today, but went out there, played some really good golf, so I had a bit of a chip on my shoulder today.

Q. Kisner said on Twitter if you holed out at the Presidents Cup he had something to show you.

MAX HOMA: Tarps off if I holed out. He got lucky, four minutes before I hit that shot, he decided to go to a different hole. I looked around for him, couldn't find him. He got lucky, but that shirt will be coming off at some point tonight.

Q. Kis, are you ready?

KEVIN KISNER: I can't wait to get back to that team room and run around naked for the rest of the night. Go, Team USA.
