

The Presidents Cup

Friday, September 25, 2026

Medinah, Illinois, United States

Medinah Country Club

Ryan Fox

Min Woo Lee

TV Quick Quotes

Q. You go 6-under in foursome competition, no bogeys, what kind of fight did you guys bring to the golf course today, Min Woo?

MIN WOO LEE: Yeah, we knew this was going to be a tough matchup. Clark played with Foxy, and he said he didn't really miss many putts. Yeah, I got to see that firsthand today. We knew it wasn't going to be easy.

It was a little unfortunate to be 1-down down the stretch, but then Foxy freaking holed some good putts. That's why we love match play, and that's why we love each other. So let's keep going.

Q. Clutch putt on the 18th hole, your very first ever Presidents Cup. You've got a nervy one to win the match, but you knock it in. I know you were concentrating on your match, but were you checking the board to see all the gold that was popping up, and if so, how inspirational was it?

RYAN FOX: Yeah, we were definitely watching. Geoff was keeping us updated as well. We knew at one point we were the only team down, so we needed to pull our finger out, and yeah, that's pretty inspirational to see what those guys are doing.

We saw Hideki hole that putt on 16 to win their match. I think it was Hideki, wasn't it, while we were waiting on the tee and that pumped us up. Yeah, it was great to get it done today. I was on the receiving end of a few putts yesterday, so it was nice to see a couple going my way today.

Q. I mentioned that putt on 18. It was nervy, but you did not let that drip in. It was rock solid. What did you see?

RYAN FOX: It was just a right edge, hit it firm up the hill. Min left me in a good place. I'm glad it wasn't a downhill left-to-righter. That's a nice little pin placement there. I felt

like we played the hole kind of as you should.

It's kind of nice in match play, you're not worried about the one coming back. You know what you have to do, and it was just right edge and firm. I've holed a couple of good putts this year, and there's another one.
