Q. Geoff, what a performance by your team today, gold all the way on the board. How would you describe the fight and the effort that your team put out there today?

GEOFF OGILVY: Yeah, it's hard to imagine. Look, we loved how we played yesterday. The first match could have gone either way, and it ended up 2-3 their way. But we just wanted to come win the session. They were all in a really good frame of mind, but you would never imagine doing five sets.

We did it in Montreal, so maybe it's a pattern now. We never mentioned that, but the boys played really well. They all got off to a great start. We've seen in these events. When you get a lot of your team up on the leaderboards, some momentum, and it inspires all the groups. Yeah, it was an incredible day for us.
