Quick Quotes

Q. You were nails down the stretch with some of those clutch putts. Walk me through your emotions and how you managed it all.

RYAN FOX: Look, it was great. To get to play with Min, he's a great mate of mine; I wanted to do something for him.

Yesterday I felt like I played okay and didn't have a couple of putts go in down the stretch, but I hit good ones, and today they went in. I felt really good about everything. I just told him to keep putting me on the green and see what happens, and he did a good job of that.

Q. What was momentum like out there? Were you guys aware of what was going on around the rest of the golf course today?

MIN WOO LEE: Yeah, we saw a lot of yellow on the board, so that was nice to see. We were still focused, though. We know we needed to make something happen with our match when we were 1-down.

It was nice to put Foxy on the greens, and he holed those massive putts down the stretch. That's why he's the Open Champion, and it's nice to have him as a teammate.

Q. Yesterday, Min Woo, you guys were 1-up with five to go. Today you're 1-down with four to go and flipped it. What changed?

MIN WOO LEE: Yeah, Foxy holing putts. I think that was a big difference. I felt like I had a couple chances yesterday and didn't convert. It was nice to put him on the green, and he rolled some very nice clutch putts. That's why we love match play, and it was great.

Q. You can see why he's the champion golfer. Big putts on 15, 16, and then to close it out on 18, how did you look to cool, calm and collected at the biggest moments of the day?

RYAN FOX: I've holed a couple of good putts this year, I think. I felt it pretty early today with the putter. I didn't actually get to hit that many putts, to be honest. Then made a nice one for par on 14, and everything just kind of felt good. We both read them really, really well coming down the stretch.

I certainly was glad my one on 16 hit the hole. I don't think I would have made the one coming back there. It was nice to see a couple go in.

I played Wyndham the last two days. He's playing great. It was nice to get one back today and playing with a great mate of mine. It's always nice when I felt like I really wanted to get a point for him, and I hope he feels the same for me.

Q. What was the battle like today?

MIN WOO LEE: Yeah, it was great. There was a lot of good golf. It felt like early it was back and forth. We needed to do something; we couldn't just go out there and play golf. We needed to actually make some birdies. It was nice to hit quality shots down the stretch, and that's all we asked for.

We saw a lot of gold on the leaderboard, so it was quite nice to have that backing, I guess. We didn't want to be the only one that was down. I'm glad we got through.

Q. Big picture, your second straight Presidents Cup you guys sweep Friday. How big is that, carrying that momentum into the weekend?

RYAN FOX: Look, it's massive. There's a lot of golf still to be played, and they're a very, very good team, and no doubt they're going to throw everything at us tomorrow. It's going to be in a good position.

Feels like we've got a lot of guys playing well, and hopefully that continues the next couple of days and we've got a chance to do something special.

We've got a group of guys that really want to try to do that.
