TV Quick Quotes

Q. How did you guys get it done today?

TOM KIM: I just tried to make as many pars for Si Woo as possible. He was playing great, and I was kind of the sacrificial lamb today. I was trying to be in play so he could be aggressive.

The point that we won was because of him, and I couldn't be more proud of him, and I'm grateful to have him as my partner.

Q. Walk us through the last two putts on the last two holes, and how many Red Bulls are you having in between these rounds?

SI WOO KIM: I haven't yet, but I will for sure. The last two holes was tricky putts. And I think my read, I would have missed, but he gave me so many good reads. I just trust him, just put the line and trust in myself, and it worked through.

He did a really good shots on 14 that I think was important thing for the match. So I've got to take care of the last two holes.
