Quick Quotes

SAM BURNS: 16, it just felt like it was the time to pick my guy up and actually contribute to this match. Fortunately I was able to hit a really good shot and hole the putt.

Q. You guys lost the 13th hole, but I believe you switched up the order on 14 and it felt like you guys had the mojo the rest of the way. What was that decision about? What was that conversation about before 14?

SCOTTIE SCHEFFLER: Just changing it up a little bit. I felt like I was getting in my own head a little bit out there, so changed the order and we started hitting some nice shots the last few holes to close out the match.

Q. Scottie, you're not in the lineup for the afternoon wave out here. You guys have played three long matches. What went into that decision? Did you know that was coming today?

SCOTTIE SCHEFFLER: Yeah, we're always prepared for anything. I've played a lot of golf this year. I'll just sit there and cheer the boys on. Looking forward to watching Sam, he's one of my favorite people to watch. And get some rest and get ready for tomorrow.

I think one of the great things about our team is you can pair guys with anybody. It's important to get guys out on the course and guys that are playing well, and looking forward to going out and supporting the guys this afternoon.
