TV Quick Quotes

**Q. What a finish that was. Corey, Nick, you were 3-down through 10. How did you turn that around to win a point?**

COREY CONNERS: Yeah, just no giving up. We knew it was going to be a battle. Gave them a few holes early on, and I think we were both motivated to try and get back on the right side of things, just keep battling away.

Did a good job of staying with it, trying to put pressure on them whenever we could, and it feels great to get it done.

**Q. Nick, something about you and playing into this final hole. We saw an incredible shot to finish the match yesterday against Scheffler and Burns. You did it again today. How much are you enjoying this experience?**

NICK TAYLOR: I'm loving it. I'm loving being next to this guy. What an experience to battle back from 3-down through 3, through 10. We've just been relentless all week. That's been the message through the captain.

Just proud of this guy. That was an awesome putt.
