TV Quick Quotes

Q. Alongside Geoff Ogilvy. You will lead the International Team into the singles at the Presidents Cup with the lead for just the fourth time in the 16-year history of this event. How proud are you of what your team have done so far?

GEOFF OGILVY: Yeah, amazing. Today both sessions having all red on the board, down in every match, and to come back and get one and a half points out of this morning we felt like was a little victory because we were down everywhere. Then this afternoon the same thing happened. The U.S. Team played so well all day. They played some really high-level foursomes, especially this afternoon. For the boys to somehow come back and pinch two points out of that and split the session was amazing.

Q. How will you plan tomorrow when you look ahead to the singles lineup?

GEOFF OGILVY: I guess we've got some thoughts. We're going to go and have a look at that now. There's lots of theories on it. We'll put out the best lineup we can and we'll see how it goes.
