Quick Quotes

Q. What was your message throughout the day to those eight matches?

BRANDT SNEDEKER: Just kind of stay in your bubble, lean on the guy who you're playing with and your vice captain. Don't worry about the leaderboard. This is a long, long process. We're trying to win both sessions.

Obviously we were really close. I thought the guys competed really hard. Super proud of how they hung in there today, and hopefully we can get some rest tonight and get these guys out there.

We had a lot of momentum out there today. The crowd was really going. Hopefully we can get them going tomorrow.

Q. Any inkling on how you plan to construct your lineup or the strategy involved in how you overcome the deficit in Sunday singles?

BRANDT SNEDEKER: Yeah, it's going to take a team effort. I think we're going to try to get our guys out there that are ready to handle it. They're playing well. Get this crowd going. But as I said, it's just one point per match. Every guy has got to be able to take care of their own business and be ready to go.
