TV Quick Quotes

Q. How proud are you to have gotten your job done?

TOM KIM: It means a lot. I was second off, and I really felt like it was a calling or a responsibility to show up and try to put a point up early for the team.

I feel like seeing one point up there will help my teammates behind. I'm looking forward to many more.

Q. I understand you have a flight to Japan to catch for the Asian Games, a big week ahead for you. How long will you be able to hang around?

TOM KIM: As much as I can. I will be around my teammates, I'll be rooting them on, and I'll be here for a bit.
