Quick Quotes

Q. You closed out the match with all these fans right here cheering you on.

CAMERON YOUNG: You always dream of making putts like that, and I've been fortunate the last two years to make one on Sunday.

Q. There's a lot of red, white and blue on the board right now. You went down 2 early through 4 holes. What was the mentality like coming in today? How were you able to fight back in this first match?

CAMERON YOUNG: Just knowing how important the points are early. I got off to such a strange start. I hit a bunch of really nice shots and found myself 2-down through 4.

Really nothing changed. Just kind of kept going, kept hitting good shots and finally got a putt to go in on 12 and then hit a nice one here on the last.
