Q. You had to go the whole way but you got the full point. How important was that for Team USA?

CHRIS GOTTERUP: Yeah, I haven't looked at the board, but I knew coming into today every point is important. Definitely went a little longer and a little more stressful than I would have liked, but Christiaan played a great match, and a point is a point.

Q. You guys are now within one point. You've won three times on the PGA Tour this year. How does this experience rank, your first time playing in one of these team events?

CHRIS GOTTERUP: Not even close. This is by far and away the most nervous, most fun, pressure-packed environment that I've ever been a part of.

I didn't feel like I had my best stuff this week and getting thrown into this with not your "A" game is stressful, but I felt like I handled it really well. We have a great team and a lot of guys that believe in each other, so hopefully we can pull this one out.
