Quick Quotes

Q. First Ryder Cup, how does it feel to go out on day one?

COLLIN MORIKAWA: I can't wait. I'm so excited. This means everything to everyone and obviously just want to put a point on the board early on and I can't wait. It's going to be very exciting.

Q. How about the pairing with DJ, how do you feel about that?

COLLIN MORIKAWA: I love it. DJ and I have gotten along really well over the kind of 2 1/2 years of me being a pro. We have spent a lot of time together and so it's a very comfortable pairing and that helps especially in alternate-shot format.

Q. Talk about playing with Collin in his first Ryder Cup.

DUSTIN JOHNSON: We knew we were most likely going to play together, so we had practiced together so we played a lot the last few days.

Q. How do you feel about how your games complement each other?

DUSTIN JOHNSON: We complement each other very well and I think we'll be a strong team. We just have to go out and play our game and play some good golf if we want to win. We're going to have a tough match.
