Quick Quotes

**Q. As you look towards tomorrow morning, thinking back to Paris, talk about how it feels.**

**JUSTIN THOMAS:** Very excited to get going. The last couple days, you're ready and excited and amped up and everyone is getting everything tuned in. I've only played one but I know it goes by pretty quickly. Taking it in for all I can and ready to get going tomorrow.

**JORDAN SPIETH:** I feel Stricks has instilled a lot of confidence in me and Justin, we weren't sure where he was going to put us until this afternoon and very excited to go out and try to set the pace for rest of the team.
