Quick Quotes

PATRICK CANTLAY: Xander and I have played together before, and we are looking forward to a great match tomorrow. Can't wait to get started.

Q. Last match of the day, how will that be?

PATRICK CANTLAY: It will be fantastic. The Wisconsin fans will be showing up and cheering us on all day. They have been great so far this week and those have just been practice rounds and I'm looking forward to getting after it tomorrow.

XANDER SCHAUFFELE: I'm excited. Pat and I have played a lot together and we played the Presidents Cup together. Looking forward to playing a strong European Team.

Q. And playing against Rory and Poulter, two historic names in Ryder Cup history.

XANDER SCHAUFFELE: You always want to play against the best. Best way to challenge your game. Pat and I are looking forward to putting a point on the board and going from there.

Q. You're the last match in the morning. Your thoughts about that?

XANDER SCHAUFFELE: Happy to get a little bit more sleep than everyone else. They are early tee times and it's going to be a little chilly in the morning, so we will use that time wisely to warm up correctly.
