### Quick Quotes

Friday Morning Foursomes

**Q. Obviously not the result you were after to start with.**

**RORY McILROY:** Yeah, the start wasn't great. I don't know if anyone could have beat Xander and Patrick today. They played really good, four birdies in a row. Geez, yeah, they played great. They were a great pairing today, and all you can do is praise them for the way they played.

**IAN POULTER:** A shame because we actually played quite well. You know, they have played exceptionally good golf in foursomes. It's not nice to get off to the start 5-down through five. Not easy to come back, and they finished the match off.
