Quick Quotes

Friday Morning Foursomes

**Q. Great win out there. How good to get the first point on the board for Team USA?**

**COLLIN MORIKAWA:** Great. It's only the beginning of the week. We have two more days, and so a lot of golf left but it feels good to put that first point on the board and get it started.

**Q. Talk about this partnership, you both seem so relaxed but you seem to be in lockstep with each other. How nice to be paired together?**

**DUSTIN JOHNSON:** It was great. We knew we were probably going to play alternate-shot together so we got to practice a little bit. I feel like we both have kind of similar games and we mesh well together and obviously we played a good match today.
