### Quick Quotes

Friday Morning Foursomes

**Q. Looked like things didn't go your way.**

**LEE WESTWOOD:** We played well enough to win that match. They got the breaks. We didn't. They holed a couple more putts and we didn't and we didn't take the chances when we had them. That was the first bogey that we made all day on 17, so we played well. It's just like that in The Ryder Cup. Sometimes it goes your way and sometimes it doesn't.

**Q. Can you just talk through the match a little bit and your experience of it?**

**MATT FITZPATRICK:** Obviously disappointing. Like Lee said, I thought we played great. I think we missed two greens all day. You know, yeah, Lee put a bit of on an exhibition tee-to-green to be fair, and I didn't take the chances when I had them.

**LEE WESTWOOD:** Well, we both didn't.

**MATT FITZPATRICK:** It's one of those things that hopefully get after it.

**LEE WESTWOOD:** It was a good match, that's what you can say.

**Q. Lots of positives you can take from it for you both?**

**MATT FITZPATRICK:** Yeah, definitely.
