Friday Afternoon Fourballs

**Q. Tony, you had six birdies and played beautifully, your career record in The Ryder Cup is now 3-1. What is it about this event that brings out the best in you?**

**TONY FINAU:** Yeah, I think I've got a lot of pride to play for my country and play for these guys. I love pressure and I think that you have to in Ryder Cup situations. I had a great time in these atmospheres, and we had a great time out there. I had a great partner in Harry who picked me up whenever I was down and I was able to carry him when he was down. A lot of fun to be out here and that's pretty much how I could sum it up.

**Q. Harris, the crowd going crazy; how would you compare this experience to anything else you've had in golf?**

**HARRIS ENGLISH:** This is unlike anything I've ever played in. The team atmosphere has been awesome. We had a great week of prep, hanging out in the team room and hanging out with all these guys, it's fun to get to know them a lot more off the golf course. We had a great time today. Tony putted unbelievably. It's hard to putt out here with the wind gusting like it was. We had a great time and the fans were incredible today. We had a great time.
