Q. It's rare for a rookie to go 2-0 in the history of this event. Give us a sense of what you're feeling so far.

XANDER SCHAUFFELE: It's always nice when you have DJ free flowing and playing some great golf. We played actually a few rounds this year, and it's always a beautiful thing to watch. I'm lucky to call him my partner now but to watch him play free flowing golf. Like you said, we had all kinds of weather. It was windy, hot and now raining, so we are happy to get in the house.

Q. You got off to a hot start, they came back. And then you were able to keep them at bay. Give us a sense of how hard the conditions were; 17, particularly difficult and the wind.

DUSTIN JOHNSON: The wind blew all day start to finish and very difficult. Not just getting your shots close to the hole but you're playing wind on the putts. Playing in the wind, it's hard to judge. But both played really good and we ham-and-egged it really well and if one of us was out of the hole the other was in it and had a good look. That's why we have a teammate, and we played nicely and had a great match.
