### Quick Quotes

Friday Afternoon Fourballs

**Q. How hard is it to close out one of these matches?**

**SCOTTIE SCHEFFLER:** Yeah, especially in best-ball you have to hit good shots and make birdies down the stretch. Bryson made a good par on 15, which was more like a birdie. Made a nice birdie on 16. Got out of position on 18. Overall pleased with how we played. I think we played really solid. Few mistakes here and there, but other than that a really solid day.

**Q. The emotions were pouring out of you. How were you able to perform at your best while being so jacked up?**

**BRYSON DeCHAMBEAU:** It's going back to your bubble when you're about to hit a shot, doing your best to control your emotions in that way. I learned from Phil in that and I have a great partner and loved every minute of it and hope we can do it again soon. We are a good team and we're going to dominate.
