Quick Quotes

Saturday Afternoon Four-balls

COLLIN MORIKAWA: This has been so much fun, best team event we could ask for, and we're playing well and want to finish it off, but it's been very enjoyable.

Q. Playing by yourself is one thing entirely, and you've played team events when you were in college, but to play for your country with teammates like this, were you nervous this week? Did you feel any differently?

COLLIN MORIKAWA: There's a little nerves, but I loved every part of it. You've got to embrace it. You've got to enjoy it, and I've got 11 other great teammates and they just make the week a lot easier, and I'm very thankful for them.

Q. Has there been one part of it that you could describe as particularly foreign or more difficult than another part of it?

COLLIN MORIKAWA: Just hanging with the guys, getting to know them better and talking stories, that's the best part. Obviously when you are making putts and win today like I did this afternoon, they are more meaningful, but spending time with the guys is some of the best parts you can ask for.
