Sunday Singles Matches

Q. A raucous first tee, you came out, got a massive ovation, what's it like for you to be in your home state and have all of these people cheering you guys on today trying to win the Cup?

STEVE STRICKER: It's really special. We waited a long time for this opportunity here in Wisconsin and they came out strong today. Everybody is fired up. Our team is fired up. We're ready to get this thing going. Hope it's going to be a great day. I know it's going to be a great day.

Q. What was the philosophy going into today's singles matches with your lineup?

STEVE STRICKER: Just go into the session again today, I think all our guys, all 12 guys are playing great. It's hard to putt them in any specific order, right. They are all playing great and they have all contributed this week, and they have all made points, they have all won points.

It's about getting them out in an order that they feel good about and that we feel good about, and they are ready to go. They are still really focused.
