Q. First match, not the easiest, talk about how you thought you played and just your experience for the week.

XANDER SCHAUFFELE: Yeah, I didn't play very well obviously. It was a bad day to play poorly without a partner, so it is what it is. I was happy to see a lot of red when I looked up at the board. My spirits were listed quickly after I lost. I think it's the fastest I ever got over losing something, just happy to have all the boys carrying me along.

It's been unbelievable. You can kind of feel the momentum in the air. It's never over till it's over, but you know, we can kind of feel something in the air right now so hopefully the boys run with it.
