**BRYSON DeCHAMBEAU:** It's unbelievable, the atmosphere is electric, and I wouldn't want it any other way. It's quite a scene, one to remember for a lifetime. As a team, we performed really, really well. We still have to get the job done. We're almost there.

**Q. Paris was not a wonderful experience for the US. What was difference between then and now for you in this event?**

**BRYSON DeCHAMBEAU:** Length. Length and also I feel like I had a great partner the first few days in Scottie. He helped me out a lot, gave me a lot of comfort. And the support here has been amazing. Even today was awesome.

**Q. What did you prove to yourself and these fans about you and your game here performing for the red, white and blue?**

**BRYSON DeCHAMBEAU:** We can all come together as one team. We came together and had unity here this week. Even though we are competitors, we can all be friends and have unity and hopefully gets us this Ryder Cup.
