### Quick Quotes

Sunday Singles Matches

#### **Q. What have you learned about yourself this week playing in your first Ryder Cup?**

**VIKTOR HOVLAND:** I feel like I definitely exposed a couple areas of my game that I really need to work on, but it also has given me reassurances that my ball-striking has really, really been good this week. But I felt like if I get a little better on the greens and make a couple putts, that can really be a big difference-maker.

But this tournament is so much fun to play in, and I had a blast regardless of the result.

#### **Q. Talk about the teammates and the friend you've made for life?**

**VIKTOR HOVLAND:** Yeah, I kind of knew everyone on the team and some of the support staff around before, but this week has been unreal, just how we all kind of care for each other and just the atmosphere, we can't replicate it. And these guys were awesome, and I look forward to being on another team with them.
