Sunday Singles Matches

Q. Brooks, this is your third Ryder Cup and the second time that you've won on U.S. soil. What are you going to remember the most about this particular victory?

BROOKS KOEPKA: I just think the group of guys. It's a different group of guys. It's a lot more fun than years past. It's a very close-knit group of guys. Everybody is a bit younger and everybody has known each other for 15-plus years it feels like.

Very, very pleased with the way I played. I know I had two losses, but I mean, what am I supposed to do with Jon. He's a hell of a player. I played well, and he just played better. It is what it is.
