Sunday Singles Matches

Q. Talk about clinching the match.

JUSTIN THOMAS: It's incredible. I was in such a zone, such a focus, by far the best I've played all week. I just wanted to keep going. I knew what everyone was doing, and I've never had a harder time focusing than those last three holes.

Tyrrell got very unlucky on the last hole, but stuff like that, you know, I had 170 yards middle of the fairway and I miss the green right. It was so hard to stay concentrated and stay focused. We wanted to win the match not only to get a point but to go celebrate with the teammates.

I loved the team from the beginning. I loved everything about the entire week. Everyone did their part, did their job. The captains were great. The fans were great. I mean, just everything about the week was incredible.
