Sunday Singles Matches

Q. First match going out, not the easiest, but how do you think you played and just your experience for the week?

XANDER SCHAUFFELE: Yeah, I didn't play very well obviously. It was a bad day to play poorly without a partner. So it is what it is. I was happy to see a lot of red when I looked up at the board.

My spirits were lifted quickly after I lost. So I think it's the fastest I ever got over losing something, just happy to have all the boys carrying me along.

Q. Your experience for the week overall?

XANDER SCHAUFFELE: It's been unbelievable. You can feel the momentum in the air. It's never over till it's over but you know we can kind of feel something in the air right now, so hopefully the boys run with it.
