Quick Quotes

Sunday Singles Matches

**Q. Tony, what are your emotions to officially clinch as you walk off the green right now?**

**TONY FINAU:** Yeah, now I can celebrate with my team. That's what we came here for. It's not about selfish accolades or individual accolades. This is a team win. I was happy to at least attribute a point to our total, and it's time to celebrate. There's no hard feelings. I would have loved to add to the point total today. I wasn't able to do that, but this is about the team. We won. We showed the world kind of what we can do as a team, and I think it's the precedent for the future of American golf.
