Q. Wyndham, give me your thoughts on today's match.

WYNDHAM CLARK: You know, we played good. Max and I played nice. You know, prior to I guess Hole 15, I didn't make any bogeys, and we didn't have any bogeys on the card, so that was unfortunate.

But, yeah, I mean, we played good the whole day. Obviously we made a birdie and had huge momentum going into 17, and we just didn't get the job done the last two holes.

Q. You still halved at the end, so there are still points on the board. What do you guys take into tomorrow as you kind of refresh?

WYNDHAM CLARK: Well, we definitely need a better day than today. We need to kind of flip it and put it in our favour, if we could try to dominate in the morning and in the afternoon. So, you know, at least we got some points, but we have a tall task in front of us.
