Quick Quotes Morning Foursomes

MARCO SIMONE  
ROME, ITALY

**Q. Many congratulations, the first full point for Team USA. How big, how special does this moment feel?**

MAX HOMA: It's good. We needed something to go our way. I felt like we were ready this morning. We were ready to come out and play some great golf which we did. Somebody had to start a spark, so I'm just glad it was us.

**Q. How fired up were you?**

BRIAN HARMAN: Yeah, Ludvig has been playing so well, making so many putts, chipping in, so it was good to come out and at least put red up on the board.

**Q. Describe the vibe in the U.S. camp? What was the intensity level heading out?**

MAX HOMA: Great. We know how good we are. Everybody knows how good the man to my left is. We obviously are in a big hole but we have the right guys to dig ourselves out of it.

**Q. Can this give the team the spark you need?**

BRIAN HARMAN: Hope so. We are going to rest up and get ready for this afternoon.
