Q. Going out with Jon first thing in the morning, you must be looking forward to that?

TYRRELL HATTON: Absolutely. It's an honor to go out first. I had that opportunity in Rome, as well, and yeah, looking forward to it, try and get some blue on the board early. Should be fun.

Q. Going against Bryson and Justin as well in the morning, that atmosphere is going to be electric on the first tee, isn't it?

TYRRELL HATTON: Yeah, I would imagine it will be pretty noisy. They are amazing players, and it will be a tough game but me and Jon, we'll try our best to get one point.
