**Q. Once again playing alongside Tyrrell tomorrow.
How excited are you about that prospect suspect?**

JON RAHM: I'm excited, four-for-four in the first group. Being away, I'll be hitting the first tee shot starting the day, or actually, I think I'm the one leading us off.

But I'm very excited. We are facing two fantastic, very accomplished players. It will not be easy. They are both players that like to get the crowd going. It will be a very energetic match.

But I wouldn't say Tyrrell and I are short of energy ourselves. So I think it's going to be a lot of fun for both teams.
