Q. Russell, what does it mean to you to be teeing it up with Scottie tomorrow in your first Ryder Cup?

RUSSELL HENLEY: Yeah, I'm super excited. Scottie is a good friend. Obviously an amazing player, and I've just been trying to soak it all in this week, being my first Ryder Cup. Any time you can represent your country is awesome. Just a lot of emotions and just try and enjoy it.

Q. What do you think the keys are to a successful round tomorrow for you two?

RUSSELL HENLEY: Well, I think just doing what got us here. I mean, put in a lot of work just like we all have to get to this moment and continue on with what we're doing.
