Q. Russell, just summarize your round out there.

RUSSELL HENLEY: Yeah, I didn't capitalize on putts early in the round. They putted really well. They played great, gave themselves a lot of chances and just was a little sloppy. Didn't make the putts I needed to and didn't really keep the momentum going with the ball-striking on the back nine either. Hung in there as best I could, but they played great.
